Schools, Learning and Education

Stirling Council is committed to working in partnership with our communities to deliver the best possible services for all who live and work in the Stirling area.

We have a clear focus on achieving the highest standards in our schools and nurseries so that the children, young people and citizens of Stirling benefit fully from our services.

Education is key to every child's future and enables us to create a fairer and more inclusive society, where our young people have the skills and confidence to contribute successfully when they leave school.

We attach great importance to lifelong learning, giving children the best possible start in life from nursery, through school, to life beyond school.

We want all children and young people growing up in Stirling to be: safe and happy; listened to and respected; engaging in a wide range of active learning opportunities; and achieving positive outcomes.

We will realise this ambition by listening to and learning from children and young people, putting them first; promoting inclusion across all schools, nurseries and communities; and by delivering high quality services.

The needs of our children and young people will be best met by working effectively together with parents, carers and a range of partners. We want parents and carers to be involved in their children's learning and believe that this partnership will be key to achieving success for all children and young people.

We look forward to working with you as your child embarks on, and progresses through their education.
