Complete as many of these challenges as possible during June. Create a Google document to keep all your evidence together. Evidence can include drawings, photos, PowerPoints, etc.
Submit your evidence by 19th June.

Complete a (safe) random act of kindness (e.g. washing the dishes, paying someone a compliment)

Write a creative story with a moral – e.g. treat others the way you would like to be treated, don't give in to temptation)

Write down 5 things you are grateful for today.

Go for a walk (safely) and pay attention to the sights, sounds and smells around you. Take a photo of something you find interesting along the way.

Write a sentence about the following – where do you like to go when you want to feel peaceful? Why does this place bring you peace?

Find a news article about a religion in the UK that has helped the community during the Coronavirus pandemic. Create a newspaper front page about it.

Research and create an informative poster about a religious celebration that happens in June.

Have a go at some yoga – it's great for relaxation and it developed from Hinduism!
