

Day 1 Arrival Instructions for Each Pupil Group

We are conscious that, with an extended absence from school, some pupils may be unsure of exactly where to go on their first day back. Clear instructions are noted for each pupil group below:

Ochil House S1 & New Pupils – please report directly to the Ochil House entrance on Wednesday 12th August.

Ochil House S2-6 Pupils – please report directly to the Ochil House entrance on Thursday 13th August.

New S1 Pupils – please report to the front of the school on Wednesday 12th August where you will be directed onto the astro-turf pitches to meet a teacher and begin your induction experience.

S6 Pupils – Please report to the Atrium on Friday 14th August where you will be directed to the start of your induction day experiences.

S2-4 Pupils – Please report directly to the **period 1 class** on your enclosed timetable when the bell goes at 9am on Monday 17th August. Please note we will be incorporating registration into period 1 this session, so you will not attend a separate tutor group class. Go directly to your period 1 class and follow the entry instructions for the building that are included in the instructions in this pack.

S5 Pupils – Please report directly to the Atrium at 9am on Monday 17th August where signage will direct you to your first HWB class of the year where an up-to-date timetable will be issued.

We look forward to welcoming all of our pupils back to Wallace High!
