Head Teacher's Message

It is always a pleasure, when writing at the end of June, to reflect back on the many achievements of young people across our school community in the past session. As I write, we have just completed two outstanding sell-out performances of our school show, *Mary Poppins*, a group of our Young Carers are enjoying a life-changing voyage round the west coast of Scotland with the Ocean Youth Trust, and the range of personal and team achievements from across disciplines continues to arrive daily. This comes, once again, on top of some fantastic events that celebrate success, including: our Junior Awards Ceremony; Sports Awards; McLachlan Games; Ochil House Assembly; and, of course, our pride in winning the Health & Wellbeing award at the Scottish Education Awards.

Once again, this issue of *Flourish* will expand on a range of achievements and we encourage parents to follow us on Twitter (@wallacehighsch) to keep up-to-date with the full range of achievements and opportunities that are on offer throughout the session. We aim to publish this issue as a digital version in July, with print copies going out over the summer to our new S1. This allows us to include features on the school show and, in the midst of the holidays, encourages parents and pupils to think ahead to possible achievements and opportunities in the new school year.

On a personal note, I would like to say a huge thank you to Mrs Janis Lane as she retires from Wallace High following twenty-one years serving our school community. She will be sorely missed, especially by the pupils, parents and staff of Ochil House. We wish her a healthy and happy retirement. Thanks once again for all of your support in session 2017/18. We look forward to celebrating many more achievements in 2018/19.

Scott Pennock, Head Teacher

Staff News...

Sadly, at the end of this school year Wallace High will be bidding farewell to one of the longest serving members of staff, **Janis Lane**. After 21 years serving the young people in Ochil House, in her role as Care & Welfare Co-ordinator, Janis will retire in June. Janis has been a tremendous advocate and ambassador for the young people in Ochil House and will depart from Wallace with the well wishes of all the staff, pupils and parents.

Maternity Leave...

Mrs Victoria Wall commenced her maternity leave in May with best wishes being sent from all of Wallace's staff and pupils for the upcoming birth of her child.

New Appointments..

In August Wallace look forward to welcoming new staff to the team:

Temporary Appointments

Mrs Jennifer Oxburgh—Teacher of Biology

Miss Meghan Plummer—Teacher of Physical Education

Newly Qualified Teachers

Mr Ashley Edwards—Music

Miss Gillian Graham—Business Studies

Mr Graham Oliver—Geography

Miss Catriona Robertson—Modern Studies

Ms Celia Martin—French

Support Staff...

Welcome to **Rachel Moran**, who has taken up the role of Wallace High's first Modern Apprentice. Rachel will support the administration function of the school and will continue her learning through this role.

Wallace High bids a farewell to **Liam Grimmer** who leaves at the end of the school year to start his teacher training at Moray House, Edinburgh. **Mr Martin Bell** has been appointed to replace Liam and will take up his post in August.

...

Senior Team...

Congratulations to Layton Wardrop (Head Boy) and Emma Binne (Head Girl).

Emma and Layton will be supported by a team of deposes:

Depute Head Girls

Dionne Bechelli

Amy Morrison

Louise Laley

Rhona McGibbon

Megan Rennie

Depute Head Boys

Oliver Yarrow

Thomas MacIolm

Llewis Houston

Rees Thomson

Harry Thomson

Scottish Education Awards—Winners!

Earlier this month we were delighted to be shortlisted as finalists in the Scottish Education Awards for our work in Health & Wellbeing. With health and wellbeing as a core underlying priority in the school, we were delighted to be recognised for our ongoing work in the areas of: LGBTI+, Mental Health, Play Unified, Young Carers, and our nationally recognised work as a School of Sport that promotes sport and physical activity as fundamental to wellbeing and a springboard for future life success.

Pupils Eva Allan, Lily Frame and Scott McArthur, accompanied by Mr Pennock and Mrs Steel, were invited to a fantastic awards ceremony at the Hilton in Glasgow. They were treated to an incredible awards event, followed by a delicious lunch and entertained by magicians, balloon modellers and host Des Clark!

The pupils and staff were incredibly proud to be named as winners in this category by the panel of judges from the Daily Record and Education Scotland. This amazing achievement has given all of our health and wellbeing groups a huge boost to continue driving their work forwards in the school. Our new trophy will take pride of place in the trophy cabinet! A huge well done to all young people, staff, parents and partners who work together to ensure that values and health and wellbeing underpin all that we do.

S3 Business Education...

S3 Business Education classes have been investigating the economy of Stirling, with a particular focus on tourism. Miss Craigie, who has been supporting the Business Education department since January 2017, has developed a series of lessons which build on young people's prior knowledge of our city. Young people have discovered that four million tourists a year visit Stirling, spending £460 million each year! Skills of analysis, creativity and communication have been strengthened by investigating a range of source material, culminating in the production of high-quality literature produced using desk-top design software. Young people have had a fantastic opportunity to explore Stirling from a new angle, and now feel more confident discussing the introductory phase of their course.

S4 SCOTS Graduation Programme...

A record 18 young people successfully graduated from the year-long School-College Opportunities to Succeed (SCOTS) Programme at Forth Valley College. In partnership with Wallace High School, pupils studied for the SCQF 4 Employability Award

with Mr Smith whilst experiencing taster sessions in eight different college courses. Now in its fourth year, the SCOTS Programme aims to widen pupils' understanding of college life. We are delighted that Kinga Obajtek's outstanding effort and personal values were recognised at the graduation ceremony. Kinga was named SCOTS Student of the Year, in recognition of her perfect attendance, full commitment and support of other students. Kinga was warmly congratulated by Mr Kevin Kelman, Chief Education Officer. Mr Kelman said "Stirling Council is extremely proud of our all the SCOTS participants, who have worked very hard to learn new skills to better prepare them for life and work."

S4 Personal Development Programme ...

A number of S4 pupils participated in our bespoke five-week Personal Development programme during May, in partnership with Skills Development Scotland and Stirling Council. Some of the highlights included team-building activities at The Peak, community investigations and also self-found work

placements. The programme culminated in an event at the Engine Shed, where participants explained how their skills had improved to invited guests.

S5 CV and Interview Skills Workshop...

Our award-winning strategic employability partnership with Prudential is entering its sixth year, and continues to play a crucial role in our endeavours. All S5 pupils undertook practical CV and interview training during the recent Senior Induction Programme, with professional materials created by Andy Galbraith from Prudential and Mr Smith from our Business Education department. Feedback on this initiative was very encouraging, with young people agreeing that the experience had made a positive impact to their understanding of the world of work.

WHS Futures...

In our drive to offer even more aspirational employability opportunities for our pupils we continue to expand our employability-focussed Twitter feed, WHS Futures. This offers insights into college, university, apprenticeship, volunteering, skills and careers, and also lists a range of suitable part-time jobs. We would ask that pupils, parents and carers follow @WHS_Futures to keep up to date with important employability information relevant across S1 to S6.

Charity Committee...

Throughout the last academic year the Charity Committee have been working hard to raise money for a variety of charities. In October they had a very successful staff 'Bake Off' which raised money for MacMillan Cancer Care and encouraged great competition between staff.

In December, in aid of Save the Children, the committee organised a fun end to the term with Christmas Movie Morning and a competition celebrating the best/worst Christmas jumper. To finish off their successful year, in April, the Committee arranged a final Easter Extravaganza bake sale, tombola, guess the eggs in the jar and dress down day to raise money for Stand Up To Cancer.

In total, the group managed to raise over £2,000 for these charities. Ms Curwen and Mrs McManus would like to thank them all for their great effort and commitment throughout the year.

Creative Club...

Creative Club meets on Tuesday lunchtimes in P3 and is run by Mrs Burnett and Ms Kupke. We offer painting, drawing, colouring, needlecraft, papercraft, polymer modelling and the occasional "special." One of the highlights of this year was the flower arranging session. Some pupils wished they could shrink themselves and enter their miniature jungles!

Short Story Writing...

The English department recently held a short short story writing competition for the new S3, where the aim was to write a short story that was between 4 and 60 words. The cohort, as a whole, produced some fantastic pieces of work and showed what a creative bunch they are. There was an overall winner, with a runner up and third place to accompany them followed by individual awards for best horror, thriller, romance and comedy.

The results were as follows:

Overall:

1st – Struan Macfarlane

2nd – Anna Galletly

3rd – Niamh Bryce

Horror – Kristoffer Thomson

Thriller – Isabella Bland

Romance – Ava McCallum

Comedy – Jenni Dunn

1st place

The Podium

I step up to the podium to collect my reward. I step up to a cheering crowd. I lower my head. The floor below vanishes. I'm the entertainment. I'm their hanging. Swaying side to side while the audience claps.

Struan Macfarlane

2nd place

Hunting

BANG!

As I sit back in dark room,

My legs shaking,

My teeth trembling,

I look out the window to see blood smeared down the window.

My heard thumping,

My eyes barely open,

I look down;

Splat, a dead bird.

Anna Galletly

3rd place

A Forgetful Day

Anne sits down in class the whole room stares at her without a blink, she starts to feel self-conscious. The teacher walks in and stares too. Anne starts to feel under pressure. Then the teacher then says, "Mum what are you doing here? You should be at your nursing home!"

Nimah Bryce

School Show, Mary Poppins...

Wallace High staged another incredibly successful and energetic school show (Mary Poppins) this year. After months of rehearsals (including weekends) the talent and hard work of pupils was highlighted in over the two nights of the production.

A huge well done is also extended to the staff for their efforts in producing, preparing stage sets and contributing to the musical performances of the show. Additionally, thank you to the parents who supported as part of our Parent Teacher Network and the parents and carers of the cast members for supporting all of the extended rehearsals.

Congratulations to all!

Creative Industries Trip to London, May 2018...

At the beginning of May, thirty-nine pupils and four teachers headed to London for the annual Creative Industries trip. We travelled by train and then underground to our lovely hotel, The Meininger, in Hyde Park. Once we had unpacked and settled in, we enjoyed Pizza Hut for dinner and then went to Knightsbridge to have a browse

in Harrods.

The next day began bright and early with a trip to The Making of Harry Potter in Watford. This was an excellent experience where we learned about costume and set design as well as how special effects were created for the movies. The group enjoyed walking through the Forbidden Forest and Diagon Alley and the model of Hogwarts which was used in the filming was a spectacular sight. It was a lovely day and the group were able to enjoy a glass of Butterbeer in the sunshine.

In the evening we dined at Planet Hollywood where the pupils enjoyed singing along to new, and not so new, songs. Their version of YMCA was beamed around the screens in the restaurant for the entertainment of the other diners and the

amusement of the teachers. After dinner we stopped to enjoy some street theatre at Piccadilly Circus and our group were so enthusiastic an audience that they were invited to become part of the act. Our pupils entered into the spirit of the occasion and earned a big round of applause from the large crowd who had gathered to watch. Next, we made our way to Westminster where we saw Downing Street and the Cenotaph before heading to see the new statue of the suffragist Millicent Fawcett opposite Parliament.

Wednesday was the busiest day of the trip: we visited the Design Museum where we learned about modern designs and the design process and saw a large 3D printer in action. We then headed to the Victoria and Albert Museum to look at the vast collection of decorative artefacts. Next, we headed to The Shard where we took the lift to the 69th floor. Despite the rain, we enjoyed spectacular views across London and had fun spotting all of the famous landmarks. Dinner was at a lovely Italian restaurant in Covent Garden and the sun came out for a little while which allowed us to en-

joy some more street theatre and buy souvenirs in the market.

The evening was spent watching the new musical School of Rock which was lively and entertaining and featured the young cast playing their instruments live on stage. The performance was flawless and many of the pupils commented on how they would have gone back to see the musical the very next day as it was so good.

After an action packed few days we headed home on the train, tired but happy. All of the teachers on the trip commented that it was a pleasure to spend time with the pupils who were a credit to themselves, their families and Wallace High School.

We are already planning next year's trip!

Personal Development Awards...

Over the course of the academic year, four S1 pupils (Zack MacNab, Leo McDonagh, Kyle Dornan and Zak McGregor) have been working towards their Personal Development Award. This award aims to develop young people's independence, self-awareness and their ability to contribute effectively within their community. On the 6th of June, Zack, Leo, Kyle and Zak organised a charity football match, raising funds for Start-Up Stirling. A total of 38 pupils from S2 and Ochil House took part in the match on a glorious day which raised a total of £52 for the charity.

Numerous staff commented on how successful and inclusive the match was and how evident it was that all involved enjoyed themselves.

A huge well done to the four boys for organising a great event, and a big thank you to all who took part and supported the match.

Salters' Chemistry Festival...

On Wednesday 6th June, four S2 students accompanied Dr Robertson to the Salters' Festival of Chemistry. The Salters' Festival aims to pro-

mote the appreciation of Science in young people through experience and application of knowledge. Edyta Deluga, Lucas Whitby, Emily Leitch and Ollie Rooney travelled to Herriot Watt University and accomplished applying chemical techniques such as chemical testing, thin layer chromatography and serial dilutions.

Along with two practical investigations, pupils attended a lecture on "cold things."

The pupils were fantastic and thoroughly enjoyed the experience.

Craftlink 2018...

Ten pupils from our associated primary schools took part in an enhanced transition project designed by Mrs Burnett and Ms Kupke. CraftLink 2018 replaced the projects previously run by ArtLink.

The theme was "Wallace Compass" and the pupils explored how each aspect of the Wallace High building represented a different concept. Looking north towards the university, we think of Pathways to Learning, looking east towards the Wallace Monument we think of Heroes and Role Models, looking south towards the City of Stirling we think about Being Woven Into Our Communities and looking west towards the mountains we think of Being Inspired By Nature.

Each pupil created a collage illustrating these concepts, using a wide range of materials. The impressive results have been displayed in the school. We also had a lot of fun along the way!

Scottish Cup Basketball Success...

The Boys U15 Basketball Team have achieved unprecedented success in the past two years

and this year have gone undefeated to win back-to-back national championships. This year proved to be no different. After strong victories against Larbert, Braes, and Denny, scoring 250 points and conceding only 22 points, the boys went into the knockout stages full of confidence. Hillhead, Park Mains and Lasswade paved the way to set up an exciting final against Culloden.

Wallace came out of the blocks firing on all cylinders and never looked back, eventually taking the win 82-36 in front of a packed crowd.

No team, in the history of the competition, has ever won this championship three years in a row at U15 level, so a huge well done to all involved!

Swimming Success...

A huge well done to the Wallace Swim Team who put in some great performances at the Brodie's Scottish Relay Team Championships this month at the Commonwealth

Pool in Edinburgh. The team collectively recorded personal best times in each age group and have set a good benchmark going forward for next year. Well done all!

Tennis Success...

The U18 Girls' Tennis Team, comprising Abbie Woodward, Anna Gillespie, Anna Sterk and Rosie Sterk, made history by reaching the National Finals at St George's School, a first for Wallace. The girls were in scintillating form all season, winning comfortably against Beaconsfield (6-0), Dollar Academy (6-0), Mary Erskine's (6-0) and Kilgraston (5-1), competing successfully against some of the finest players and teams in the country on the way to the final.

The girls were given the toughest draw possible in the semi-final, and eventually gave number one seed, George Watson's, their toughest match of the tournament with the latter winning a nail biting match 4-2.

Our girls played The Edinburgh Academy in the runners-up match and finished the season on a high, taking victory 4-0. A huge well done to the girls and we are already looking forward to attempting to go one step further next season.

U14 Football – Scottish Plate Final...

Our Under 14s footballers were runners-up in this year's Scottish Plate. After a tense two-all draw in Bathgate the boys narrowly lost out on penalty kicks. Following the match, the team were highly praised by the SSFA for their performance and sportsmanship.

A fantastic achievement for all involved in reaching a national football final for the first time in many years.

U15 B Team Football...

Congratulations to the U15 Football B Team, who have put in some excellent performances at the end of the season in home and away fixtures against Balfron and Beaconsfield.

What was particularly notable was the participation in number and camaraderie amongst all players and coaching staff. A special congratulations to Ryan Innes from Ochil House for making his debut in a Man of the Match performance against Beaconsfield!

Enterprise Group...

The Enterprise Group – comprising S1 and S2 pupils – have been learning crafting skills this session. They used these skills to make items ranging from Christmas Pompoms to Angels for the Christmas tree which they sold, enabling them to raise money for Strathcarron Hospice.

They continued to develop their skills completing an SQA course in Working with Textiles.

The assessment included tie-dyeing recycled cotton in school colours and applique skills to decorate their cushion covers.

Friends of Logie Debate...

The Annual Friends of Logie Debate took place on 16 May this year at Wallace. We had a fantastic group of junior debaters expressing their viewpoints on debates such as: 'Military force is always justified'; 'The minimum age for using mobiles phones should be 12'; and 'guns should be banned in the USA'. Pupils from S2 and S3 took part, with the winning team being Davron Majidov and Hira Ibrar from S3.

We extend our thanks to former pupils Cameron Archibald and Alex Mortimer for Chairing the debate and to Friends of Logie for, once again, sponsoring the event and supporting debate on contemporary issues.

Literacy Update...

Our Leading Literacy Across Learning programme is now in full swing, with the relaunch of the Correction Code and the introduction of our monthly Literacy Focus. You can also find our "Celebrating Literacy" boards across the school. There will be a real focus on this in the new session, with the Literacy Team visiting assemblies to promote all the fantastic work planned for next year to improve the literacy of all pupils in all subjects..

Duke of Edinburgh...

In something of a welcome break from recent tradition, this year's S3 Bronze expeditions were able to make the most of the good weather we have all been enjoying. Although everyone was well kitted out with waterproofs and wet weather gear, it turned out we had more need of the sunscreen and extra water we had packed!

41 participants completed both the practice and qualifying expeditions, demonstrating their teamwork, campcraft and navigational skills. In addition to the sunshine, we all benefitted from the use of fantastic new kit bought with a substantial grant from *sportscotland Awards for All*. Not only do we have new tents and Trangias, but we have expanded the staff team supporting the groups both in and out of school.

Mr Henderson, Mr Cruickshanks, Ms Glass, Miss Oxburgh, Mrs Wills and Mr Naismith will all be undergoing further training in the next session that will help to futureproof the Duke of Edinburgh provision here in Wallace High School. Whilst Mrs Auldjo is on Maternity Leave, Mr Buchanan is Acting Co-ordinator and any DofE related queries should be directed to him in the first instance.

Ochil House DofE Success

Seven S5/6 pupils from Ochil House also headed out on their Bronze expeditions - an outstanding opportunity for our Ochil House team. Staying in Auchengillan Outdoor Centre near Blane field, participants enjoyed bespoke activities including: kayaking, team challenges, grass sledging and pedal karting as well as walking round "The Whangie".

2018 ~ PARENTAL CALENDAR ~ 2019

WEEK	Begins	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
1	20 Aug	Pupils Return			HT Parental Drop-in: 3.30 pm
