The National Picture

- Schools presented Nationals for the first time in May-June 2014 – these are now well-established and robust
- Full course outlines, specifications & assessment arrangements, including specimen papers, past papers and marking schemes are available and complete (SQA Website)
- We are fully aware of key changes to course elements following our return and a review by SQA due to Covid-19.

The Wallace Picture

- The past eight years of presenting Nationals have resulted in strong attainment
- Current S4 pupils have selected up to ***seven*** Nationals and started these briefly in June 2021, with full immersion from August
- In common with Standard Grade, absolutely final decisions about level of presentation will not be made until ***the latest possible stage to maximise positive presentation***
- This ensures maximum time for pupils to progress and perform at the ***highest level possible***
- On-going feedback about levels will be provided through: **Tracking Reports** and all usual Pupil Support and Faculty communications (letters, phone calls, meetings)

Different Levels: National 4 or 5?

- All units and courses from Nat 1–4 are internally assessed by teachers and moderated by the SQA
- The Added Value Unit at Nat 4 replaces an examination with a project-based assessment
- For Nat 5 and above there will be a final examination in most subjects
- At Nat 5 pupils no longer have to complete unit passes as part of their award.
- You can, however, also complete units at National 5 where there is a concern about final level
- Courses from Nat 1 – 4 are simply graded pass or fail
- Courses at Nat 5 are graded A-D or 'No Award'
- D at National 5 is 40%-49%; previously 45%

Prelims & SQA Results Service

- Prelims are designed to provide a formative experience of exam conditions before the final exam. There will not be a single Prelim diet, but rather pupils will complete Prelims in class when they are best prepared in each subject.
- Changes to SQA protocols put a different emphasis on Prelims as we no longer submit Prelim evidence for the SQA Results Service
- From 2013/14 SQA 'Appeals' have been revised as follows:
 1. Exceptional Circumstances Consideration – evidence submitted due to illness; family circumstances etc. immediately after exam
 2. Results Service – administrative check or re-mark.
 - Grades can go *up or down* with either check
 - Evidence no longer submitted to support such appeals

WE ARE ALL VERY AWARE, DUE TO THE ASSESSMENT SITUATION LAST SESSION, OF THE IMPORTANCE OF HARD WORK THROUGHOUT THE YEAR AND GATHERING QUALITY EVIDENCE OF PERFORMANCE ON AN ON-GOING BASIS. THE GOVERNMENT HAS STATED, HOWEVER, THAT IT IS THEIR AIM TO RETURN TO A FINAL SQA EXAMINATION DIET THIS SESSION
