

UCAS Presentation

September 17th, 2019

Entry Requirements

How to 'read' requirements:

- ◉ Prospectus/website
- ◉ Required subjects at *Higher*
- ◉ First or second sitting?
- ◉ National 5 entry requirements (e.g. Maths at National 5)

Choices

S6 – More Highers, re-sits, or Advanced Highers?

Very individual – contact the university and ask for specifics

Some universities count a subject twice – achieved at Higher and then Advanced Higher
(e.g. Glasgow will; Stirling will not)

Edinburgh & Aberdeen universities sends letters to pupils to say they must not “drop” a subject once they have an offer – increasingly common practice

The tables below detail the S5 Standard Entry Requirements and Minimum Entry Requirements, and the cumulative grades required for applicants who receive a Conditional Offer for entry to the University after S6. Please see the notes that follow the table for further explanation/clarification:

Subject Area	Qualification	S5 STANDARD Entry Requirements	S5 MINIMUM Entry Requirements	S6 Entry Requirements	Other Mandatory Requirements
Accountancy & Finance	B.Acc or BSc	AAAAAB	ABBB	AAAAAB	Maths and English or a Humanities at grades A/B or B/A
Arts/Modern Languages/BD Theology/Ministry	MA, BD	AAAA or AAABB	ABBB	AAAAAB	English and a Humanities at grades A/B or B/A
Engineering	M.Eng	AAAAA	AAAA or AAABB including Maths	AAAAAA	Must include Maths and Physics both at grade A
Engineering	B.Eng	AAAA or AAABB including Maths and Physics at Grades A/B or B/A.	ABBB	AAAAAB Must have Maths in S5 and Physics at Grades A/B or B/A by the end of S6.	Entry from S5 requires Maths and Physics at grades A/B or B/A. Entry from S6 will require applicants to have Maths in S5 and Physics at grades A/B or B/A by the end of S6

Multiple Applications

Applicants should be discouraged from submitting multiple applications to the same School/Faculty within the same university *(where entry requirements are the same)*

Students are reminded that it is best to contact *Admissions staff* for specific information

touch.

Personal Statement

- Students will be given a set of help sheets –
further advice available online
- 5 paragraphs
 1. **Maturity** (School Experience/Responsibilities/Extra-curricular)
 2. **Academic Attainment** – linking to knowledge & skills
 3. **Commitment** (Relevant Work Experience/Personal Qualities/Interests & Wider Achievement)
 4. **Knowledge** (Choice of course & Career Aspirations)
 5. **Summary Paragraph**

Example

Extra-curricular Activities/Responsibilities

“During this past school year I have taken on various responsibilities, all of which I feel have added to my skills. I am a buddy to an S1 pupil and every week I have to support them in registration, which has improved my mentoring skills as well as my inter-personal skills with those younger than me...Finally, I am a co-editor of the school magazine, it is proving to be very enjoyable and a test to my organisational abilities.”

Example

Work Experience - General

“My part time job as a waiter has provided me with the opportunity to meet and work with new people. As I have worked in the same job for two years, I have helped train new members of staff, which has helped my leadership skills. I really enjoy the contact with the public which is part of this job. Although this can be challenging, I feel it has given me more confidence and improved my communication skills.”

How Decisions Are Made

The information contained within the UCAS application is used:

- Qualifications in context – subjects & grades

- Personal Statement

- Reference

Interviews normally for only a very small range of programmes:

- Art, Design, Teacher/Community Education, Music, Veterinary Medicine, Oral Health Science plus graduate or mature entrants to Medicine.

- Not all applicants will be called to interview

Portfolios for Art & Design (sometimes Architecture)

UKCAT – Medicine only

LNAT – Law

Vets now complete the Work Experience Summary form

ECA mini portfolio

A digital mini portfolio is required for all programmes in Art & Design

Students start mini portfolio after applying via UCAS – personal ID required

Guidance available online

Different requirements depending on programme applied for - images, movie clips and text can be added in stages

Staff review applications & mini portfolios before deciding who to invite to bring their full portfolio to Applicant Days in late February/early March

Timeline

August	All students timetabled for the IT Room and given a tutorial on the electronic application
17 September	Information Evening for Parents/Pupils
Sept-Nov	Open Days
11 October (start of October holiday)	Deadline for Medicine, Dentistry, Veterinary and Oxford/Cambridge
29 November 2019	Internal deadline for all UCAS applications

THAT WAY

ANOTHER WAY

Routes to Degree Level Qualifications

- College
- Modern Apprenticeship
- Employment with part-time study

College

- HNC/HCD courses are offered at colleges.
- HNC are 1 year courses & HND are 2 year courses
- Entry requirements are usually 1-2 Highers.
- Many careers require HNC/D qualifications.
- Apply for HNC/HND as back-up if university entry is dependent on S6 results.
