

# SCHOOL UNIFORM 2018/19

May 2018

This flyer is designed to clarify our school uniform expectations for all pupils for the coming year. We are publishing this reminder to ensure that parents have plenty of time to make the necessary arrangements for **all** children to wear full school uniform from August 2018. We are very proud of our uniform as it represents a visible commitment to the values of our school. We appreciate your support with this on a daily basis.

## What to wear; and what *not* to wear...

### Uniform Expectations

The following uniform must be worn by **all** pupils as it represents our core uniform:

- School shirt (white or black but must button appropriately for a tie)
- Black trousers (not jeans) or skirt
- School tie
- Blazer
- Black/dark school shoes
- Official WHS PE kit - black t-shirt and shorts/bottoms from Logoxpres
- Appropriate school bag

The following may be worn:

- Plain black school jumper or cardigan (school style so that tie is visible)

### Not Allowed

The following items are not allowed in school. We very much appreciate your support in ensuring that young people do not wear these:

- All hooded tops and labelled jumpers etc. must be removed in the school building
- ‘Converse style’ canvas trainers or coloured sports **trainers are not appropriate footwear for school** and we would ask that pupils do not wear these
- Baseball caps and other hats should be taken off in the school building
- Blue denim and tracksuit tops and bottoms are not allowed - these are not appropriate for school

### Parental Support

The details in our first two columns do not represent *changes* to our uniform expectations. As the photo above indicates, the vast majority of our pupils do currently wear our uniform with pride. These are, however, important **clarifications** as we move forward as a school.

School uniform standards matter so much as they are a key measure of visible commitment to school values and they also support high standards and genuine democracy - our uniform, as described, is affordable for **all** and does not put pupils under pressure to wear labels or expensive trainers etc.

It is our firm belief that pupils who look smart and dress with high standards will think smart and have higher expectations. This is only achievable with parental support and so we thank you in advance for buying into our shared values here.

**THANKS TO ALL PARENTS FOR YOUR CONTINUED SUPPORT!**
